

## Explore Himalayas

### Description

## EXPLORE HIMALAYAS

### 5 DAYS & 4 NIGHTS

Manali and Lahaul offer contrasting landscapes despite being located in close proximity. Manali is a lush green valley surrounded by snow-capped mountains and the Beas River flowing through it. In contrast, Lahaul is a high-altitude desert characterized by barren mountains, deep gorges, and rugged terrain. The landscape of Manali is more conducive to activities such as trekking, skiing, and rafting, while Lahaul's harsh terrain offers opportunities for mountaineering, off-roading, and exploring ancient monasteries. Both destinations offer breathtaking views of the Himalayan range. **Click here for quick Itinerary**
