The Andaman Islands are an archipelago in the Bay of Bengal, part of the union territory of Andaman and Nicobar Islands in India.

Known for their pristine white-sand beaches, crystal-clear waters, and diverse marine life, the Andaman Islands are a popular tourist destination. The capital of the Andaman and Nicobar Islands is Port Blair, the gateway to the archipelago, and the Cellular Jail, a historic site, is located here. The islands are home to various indigenous tribes, including the Jarawa and Sentinalese, who live in isolation from the outside world. Havelock Island, known for its stunning Radhanagar Beach, is a favorite among tourists for water activities like snorkeling and scuba diving.
